### **Discussion Notes**

#### **1) ICT in Key Stage 2 – Workshop/Discussion**

It was decided that this item would be moved to the next meeting in the new academic year to give colleagues an opportunity to plan for/bring the appropriate schemes of work/planning documentation for discussion.

#### **2) Using the Virtual Learning Environment ([www.bayhouselearning.co.uk](http://www.bayhouselearning.co.uk))**

Time was spent logging on to the Bay House VLE and getting familiar with the Moodle environment and how to author pages/structure content.

#### **3) CPD in the new academic year (2007/2008)**

The group decided that two CPD sessions would be of particular benefit in the Autumn Term, one focusing on the new version of Flowol and the second looking at the Hot Potatoes quiz software that can be used as a plug-in to the VLE.

#### **4) Pupil workshops in the new academic year (2007/2008)**
